Arlanda express är snabbt. 18 minuter utan stopp mellan Stockholm C och Arlanda flygplats. Miljövänligt och snabbt. Tåget avgår sex gånger i timmen under högtrafik och en gång i kvarten under övrig tid. Inte nog med det har vi också vunnit flera priser och utmärkelser för vår inredning och service samt utsetts till det bästa snabbtåget till och från en flygplats.

Välkommen. Njut.
